GRADING PERFORMANCE CERTIFICATE

This Certificate relates to Lot ____ Block ____, Subdivision _____, Filing ____, Broomfield, Colorado, also known as _____
(street address)

1. Sketch lot and direction of flow.
2. Show grade elevations and percent of slope away from house and along all lot lines and swales.

I, _____, a registered professional engineer or licensed
(print name)
surveyor, certify that I have inspected the above involved lot, and that the lot will drain adequately in conformance with the overall subdivision drainage plan and individual lot grading performance plan and drainage will not result in ponding or flooding conditions on adjacent lots.

Signed: _____

Dated: _____

(Seal)

Rev. February 2002, City and County of Broomfield
