### Use Tax:

The City and County of Broomfield collects use tax on building materials at the time of building permit issuance. For use tax purposes, 50% of the total project valuation is assumed to be materials in accordance with BMC 03-08-060. Homeowners performing all of their own work shall list the total materials cost on the permit application. Applicants showing the building permit payment receipt to the supplier or retail home center when purchasing materials for the project should not be charged any city sales tax since the Broomfield use tax has been paid with the permit. Payment of state and RTD sales taxes is still required on all materials. Questions regarding use tax can be answered by the Sales and Use Tax Division of the Broomfield Finance Department at 303-464-5811.

### EXAMPLES

Use Tax = Total valuation x 50% (materials) x assessed rate. The assessed rate is currently 4.15% for the City and County of Broomfield.

Contracted total project value: \$20,000 Calculated materials cost: \$20,000 x 50% = \$10,000 Use tax due: \$10,000 x 4.15% = \$415.00	Homeowner total materials cost: \$10,000 Use tax due: \$10,000 x 4.15% = \$415.00
