

Broomfield Auditorium

Park Hill Brass

Friday

February 26

7 pm

Tickets: \$10 Adults
\$5 for Seniors & Students

Not your Grandmother's Brass Quintet!

The Park Hill Brass, a professional ensemble from Denver is the only brass quintet in the world to specialize in improvisational jazz. The public will be treated to Bix Beiderbecke works not heard in 80 years transcribed by quintet member Eric Staffeldt. In addition they will play old jazz standards with improvised solos rendered in the Dixieland, Big Band and Beebop styles- a veritable history of jazz!
