Our Vision

- ✿ Broomfield advances sustainability by educating and engaging with the implementation of environmentally, economically, and socially sound practices.

Key Findings

- ✿ How are schools teaching and using sustainability
- ✿ Public Education/Communication Outline by Kathy
- ✿ Captive audience/habits
- ✿ Logo needed for Sustainability
- ✿ All committees will interact with Education

Our Goals

- ✿ Articulate the vision and goals of the subcommittees
- ✿ Recognize citizens, businesses, and city departments for sustainable efforts
- ✿ The City of Broomfield will dedicate specific resources to sustainability
- ✿ Citizens understand the concept of sustainability and know they play a key role by the choices they make every day (Mark)
- ✿ Establish sustainability funding for schools from the city and county through use of funds (sf funding) which encourages sustainability practices

Where do we go from here?

- ✿ We are here to help promote YOUR ideas!
 - ✿ Other committees can submit what they are doing, so we can educate our community.
- ✿ Educate, enlighten, inform.
- ✿ Send information you would like us to include in our community education to our group leader:
