- **Have fun**

Survey/Focus Group Results Overview

Purpose: Gain insight as to what other residents are thinking and the implications for the committee.

2005 Comp Plan Review

Purpose: Lay a foundation of understanding of the section we will be focusing our energies toward in this process and the status to date.

- Overview of the plan
- Progress to date
- Clarity on our definition of Sustainability (Review Definitions – Finite Resources emphasis)

Vision from 2005 Comp Plan

- Broomfield (is the) leader in implementing environmental stewardship policies that help to create a desirable and sustainable community now and for future generations.

Vision Question

- **Question: When Broomfield is the model of sustainability, what will we see?**
- One answer, in a complete sentence, per post-it
- Cluster into common themes
- Pick one post-it that best describes the theme
