

Sustainable Community Vision

Broomfield prospers as an environmentally, economically, and socially sustainable community. We protect and preserve our social and physical environment and ecosystems through education, community engagement, conservation, and cultural opportunities supported by economic strength and diversity.

Broomfield is locally sustainable and recognized as the Epicenter of Green.

Sustainable Community Vision

List of Guiding Values to carry forward:

- Native wildlife
- Transportation
- Communication
- Zero waste
- Cultural diversity
- Health and wellness
- Diverse revenue base

Sustainable Community Vision

The Task Force expressed these thoughts/concerns:

- too generic and not inspirational
- agreed that the sustainability elements were captured
- it didn't have any emotion or feeling
- was not specific to Broomfield
- the vision should mention preservation or enhancement for future generations
- should recognize Broomfield's interdependence with everything beyond its borders
