

1. Download Adobe Digital Editions to your computer.
2. Find, check out and download a book from the Front Range Downloadable Library.
3. Open Adobe Digital Editions. If things are working right, the book should appear in your library!
4. Plug in your Nook while Adobe Digital Editions is open. You should get a message to authorize your Nook, and when you do, click Authorize.
5. When you see the book displayed in your library, click on it, and drag it to the “Nook” icon at the bottom left of the page.
6. Unplug the Nook, read, and enjoy!
7. To return the book early, open Digital Editions, click on the arrow at left of the title, and click return.
