

2010 Colorado Fireworks Softball Tournament Picture Program

Team Information: Attention Coaches

We're trying to get as many photos in the tournament program.
Please send:

1. A team photo along with the girls and coaches names written clearly from L to R, specifying front, center, and back row.
2. A completed team roster (names, positions, date of birth.)
3. Please **Email** photos in a JPEG format. If you do not have access to email, please send a 3 x 5 up close team picture.

SUGGESTIONS

Please make sure that when taking your team photograph that the girls faces are NOT shaded and as close-up as possible. When reviewing the photo that you're sending in for insertion, any dark areas or high white areas with no contrast in the photo may blend in or not show up well.

Deadline: Photos need to be in our hands by May 15, 2010 to be included in the tournament program.
