Groups on the climbing wall

The Paul Derda Recreation Center welcomes groups to climb
our state of the art 35 ft. climbing wall.

Groups of 10 or more climbers are encouraged to make a reservation and climb outside of open wall climbing time. *Open Wall Group Policy—During open wall groups exceeding 6 climbers may be divided into smaller groups, ensuring fair climbing opportunities for all.*

Let us know what you are looking for as far as instruction goes and we will put it together for you.

We work with scout groups, church groups, school groups, as well as team building events for your corporate needs.

The smaller the group the more time we will have to teach specific topics such as how to tie in, proper climbing terminology, what the equipment is called, and some ideas for how to climb more efficiently. We also have some great ice breaker activities that get the group going.

*For groups with children, the maximum group size will be 15. (Ages 12 & under)

Please see below for pricing.
