

## **RULE SHEET**

**Hello STARS! Thank you for registering to be a part of our  
2011 Night of the Stars Talent Show!!! 5<sup>h</sup> ANNUAL**

**Please make sure to read over the following rules before auditions...**

1. Performances must be at least 2 minutes and no longer than 4 minutes. You will be heavily penalized if your performance doesn't fall in between this allotted time.
2. If there is a group entry, participants will be placed in the category of the oldest participant. Max for a group entry is 4. There are 3 age groups: K-4<sup>th</sup> grade, 5-8<sup>th</sup> grade, 9-12<sup>th</sup> grade.
3. Participants may only perform in one number.
4. There are 3 categories: voice, dance and variety (variety includes music, comedy, etc.)
5. There are no rock bands allowed (trios and quartets are ok).
6. You are only allowed to take part in one cities competition. (If you don't make it into one local competition, you can audition for another city. HOWEVER, you can't perform in more than one local competition.)
7. The number performed at your audition must be the same number (same song and/or routine) performed at the competition. If you need to change your number for some reason, you must get prior approval from your city representative. You will be placed in the same category for every competition.
8. We have the right to deem what category you will be competing in.
9. We don not have a piano available, please bring your own keyboard.
10. Participants are responsible for bringing their own music and supplies. Music should not have original singing on it (you should get the karaoke type, so there isn't the original voice on the c.d.). If accepted into the talent show, you will need to bring a copy of your music (only song on the c.d.) along with your original to the rehearsal and be prepared to leave the copy with us until after all performances. (The original is back up in case there are issues with the copied version of your c.d. in our sound system). CD's will be returned on the night of the competition. Music should be labeled with your name and any special instructions on it.
11. Remember that winners from your local competition will be competing with other cities in a multi city competition. By entering the local show you are committing to continue to the multi city competition if you place first.
12. Reserve the following dates right now for the talent show:
