Update on HHSAC Appointments

There will be five openings on the board this year. Four members terms are up in March and one member has resigned. Anyone interested in reapplying is urged to do so. Applications are due by Friday, February 2nd. Appointments will be made late March.

Update on the HHS Director

The HHS Director has been selected! We would like to welcome Dan Casey to Broomfield Health & Human Services. Dan comes from the Division of Quality Assurance with the Colorado Department of Human Services. He began his CDHS career as a Youth Services Officer in the Division of Youth Services. He then worked in Quality Assurance on programmatic, safety, and risk management issues for DYS. Later he moved into the role of Assistant Director of the Platte Valley Youth Services Center. From there he became the Manager of Child Welfare's 24-Hour Licensing &

Monitoring Unit. During that time he was named Social Worker of the Year. A few years later he was selected to lead the creation of, and strategically manage, the Division of Quality Assurance and Quality Improvement. Dan brings over 20 years of Human Services knowledge and experience to HHS and we look forward to have him join our team!

Update on the Child, Adult & Family Services Manager

We would like to welcome Molly Judson to the CAFS Division! Molly has spent the last 20 years in a variety of governmental and non-profit human services agencies in Colorado. Over the last 7 years she has been in the field of child welfare. She is a trained supervisor, professional coach, leader, and advocate for human services child welfare agencies and staff. Her objective is to use her education, training, experience, and skills to help the citizens of Broomfield and organizations working in the Broomfield community increase their capacity and resiliency to live effective and powerful lives. Molly holds a Master of Arts, a Master of Social Work, and she is a Licensed Social Worker in the State of Colorado. She is a Colorado native who grew up in the Broomfield area.
