3	Sculpture parks	1/17/2015 7:31 AM
4	I wasn't aware that I was aware of all the sculptural and other art I appreciate routinely on my walks in Broomfield until I visited your Public Art website. Examples are the Josh's pond sculpture, sculptures around library, innovative benches, etc.	1/6/2015 12:48 PM
5	We have plenty of art in town. If there was a downtown area visited by many than new art would be nice. But art in a field is not seen by many.	1/5/2015 1:54 PM
6	none stop spending money on things that do not support this community. Your turning into Boulder. get rid of some cops and other county workers. the expenditures do not represent the community, and do it no good.	1/4/2015 10:24 AM

13	Wish the 911 memorial had better handicap access/parking. Would be nice if Leaf and Feather had a fan. It is hard to blow hard enough to move this beautiful piece.	11/23/2014 3:54 PM
14	It would be fabulous to have a long gallery wall available in one of your public buildings that is open and please don't paint it maroon!!!!!! A meeting place for the arts groups.	11/22/2014 3:25 PM

17	Does not matter right now to me, keep the open trails going that is important to me	11/19/2014 7:30 PM
18	The 9/11 memorial lacks historical and political context, meaning why the mostly Saudis attacked NY and DC and why did the Administration follow with a long war against Iraq when they had nothing to do with 9/11. By omitting this the memorial foster historical facts and breeds ethnocentrism in the nation.	11/6/2014 9:46 AM
19	See above comments on the 911 Memorial. It is woefully inadequate as a learning experience and seems cheaply constructed. It is already falling apart.	11/6/2014 8:36 AM
20	I love all the public art, but so much of it gets lost behind the library and a renovated area around the library (and amphitheater) would be lovely. And more murals! Do we have any? Let's add more to our city!	11/6/2014 12:33 AM
21	Public art such as taruary is a waste of money. For the vast majority of citizens, it is /they are just part of the background. Exceptions to that statement include very large statuary like the Stallion at DIA and the large elk at the Frisco exit on I-70, and large paintings identifying a town or section of a town. The new totem pole behind the Auditorium is a huge waste, in more ways than one. .	11/3/2014 6:04 AM

24	Art Gallery -a REAL one. Like that the benches on Main were repainted! There is more to art & being creative than sculptures.	10/15/2014 1:00 PM
25	Doesn't matter until we fix the 'look' of Broomfield. Drive into Lone Tree or Centennial or Parker to see how inviting it looks to live in those cities. Empty big box stores like Kmart, Safeway, 'the old man' bar, empty driving range and the empty stores at Flatirons Mall make Broomfield look like we are failing. Westminster does a better job.	10/15/2014 11:44 AM
26	sculptures along trails, ponds, library	10/9/2014 7:25 PM
27	The Auditorium isn't very friendly to hanging paintings. The Broomfield Art Guild has grown over the last few years and the Auditorium can only hang a limited number of paintings now...this means that our members are limited on size and entries. Other communities are far more supportive of the visual arts. Louisville is a good example and it draws a lot of people to their community.	10/5/2014 5:08 PM
28	on and off ramps could use some interesting artwork, sculptures	10/5/2014 4:31 PM
29	Permanent sculptures in front of library, at Anthem reservoir	10/5/2014 11:22 AM
30	I would like to see more opportunity for visual art display.	10/4/2014 2:26 PM

32	Xeric Garden at city hall	10/2/2014 11:07 AM
33	would be nice to have a downtown to have this art displayed that is what Broomfield is missing	10/2/2014 11:01 AM
34	Broomfield has made a major commitment to Public Art and Visual Art in general, however the investment in performing arts and attracting excellent performances is not something Broomfield has shown to do.	9/30/2014 2:24 PM
35	Benches with sculptures where you can sit on the bench and have your photo taken with a historical figure like Einstein (in Vail). Large Swedish Horses (in Estes Park). Fun sculpture projects (Like the goose project in Longmont a few years ago).	9/30/2014 12:36 PM

2	I appreciate that Broomfield does invest in a variety of art and cultural events.	1/30/2015 7:30 AM
3	You have been doing a great job. I hope it expands greatly. Can city put more money into it?	1/27/2015 8:01 PM
4	I like the variety that is offered. I am always pleasantly surprised how much I enjoy music, dance and art venues that I haven't seen or heard before.	1/25/2015 3:13 PM
5	Keep it going!	1/17/2015 7:31 AM
6	I love living in Broomfield.	1/14/2015 9:02 PM
7	For the civic center plan: An expanded space for the Veterans Museum, near the center or within. Very appropriate, since the town was founded by Veterans. What better way to honor our founders and all Veterans, by creating a new Veterans Museum space.	1/8/2015 5:04 PM

9	The Broomfield Sister City program is rich in cultural exchange and opportunity for current and future development of relationships and commerce. Please include this committee and program in your programming.	1/6/2015 7:39 PM
10	I very much appreciate public art in Broomfield. It lightens up my life. I also need to be more aware of how to learn about events, exhibits, etc., taking place in Broomfield and surrounding communities.	1/6/2015 12:48 PM
11	The current variety is "awesome"	1/6/2015 12:18 PM
12	would like to see the CU jazz professors perform in the winter months as well as the fall. thank you	1/6/2015 11:30 AM
13	I would like to see more money placed into historic preservation and a survey of local landmarks of broomfield beyond the 120th corridor survey	1/6/2015 10:48 AM
14	Broomfield is losing out to other communities that offer more of a town feel to them. Do something to promote a central area that has entertainment, shops, etc. Broomfield is way behind the curve when it comes to entertainment choices.	1/5/2015 1:54 PM
15	The Amphitheater is too small. A mini Red Rocks design would be great. Plus, it would be a great sledding hill in the winter.	1/4/2015 6:39 PM
16	We need a downtown space! Even something as small and walkable as Lafayette's fountain & shops area. I know it's very hard to create that non-organically, but besides INSIDE the mall, there's very little walkability here. Westminster managed to succeed with the Bradburns neighborhood!	1/4/2015 2:43 PM
17	would love to work for the city of Broomfield and have a decent job, job security, and pay!!!!!!	1/4/2015 1:02 PM
18	fix the roads, plow the roads, and fire useless dead weight sucking tax dollars like the people who came up with this plan, and the people who gave them jobs	1/4/2015 10:24 AM
19	I would love to see art spaces with classes.	12/29/2014 5:35 PM
20	I just don't make enough money to have any extra for arts... Barely necessities.	12/29/2014 8:28 AM
21	Lots of great programs/activities available. Wish I had more time to enjoy them.	12/27/2014 1:08 PM
22	Please contact me, Cindy Pickerel, 816-244-6755, PR for Singers of Note, regarding us performing for Broomfield.	12/3/2014 9:01 PM
23	I live near the Audi and I thoroughly appreciate having such a great community resource. It is a nice facility and the variety of arts and entertainment it hosts are to be commended.	12/3/2014 11:45 AM

## SURVEY FOR ARTS AND CULTURE MASTER PLAN 2014

24	Would like to see more art classes, like jewelery making, watercolor, drawing etc. Would also like to see the jazz concerts go back to being free...was really great when there are performances at the audi that are open to all.	12/1/2014 4:03 PM
25	More art, varied media, such as rug hooking in gallery	12/1/2014 1:08 PM
26	I think that what you are doing is great!	11/30/2014 8:50 PM
27	Love the One Book One Broomfield event, would love more literary events!	11/30/2014 7:33 PM
28	I have heard comments from many people that the 1st Bank sign on Hwy 36 is way to bright! Can it be toned down some. Sometimes it is hard to read because of the brightness.	11/29/2014 9:42 AM
29	The Cultural Council has done an excellent job of offering a diverse and sophisticated body of arts programming with the exception of adult theater. Perhaps a collaboration with theater groups from other communities could fill that void. Thanks for asking for input.	11/28/2014 5:52 PM
30	Broomfield is a great place to live and the events at the library are wonderful.	11/28/2014 3:10 PM
31	Thanks for this opportunity. Good luck. More exhibits at historic places like the grange and Brunner house could spark some artists to consider Broomfield for their home.	11/25/2014 2:10 PM
32	Broomfield is a nice place with great offerings in history, culture, performing arts, and especially greenways! But there it feels like there is a huge black hole here when it comes to visual arts. If I want art, I go somewhere else. Very disappointing I have no opportunities within my own community.	11/24/2014 1:24 PM
33	Art, music, writing, dance & theater are all important ways to bring a community together. We have amazing talent here and we should foster an atmosphere where these creative talents can flourish.	11/23/2014 3:54 PM
34	The Broomfield Art Guild is always trying to grow membership but over the years I have watched people join and then fall out due to frustration with Broomfield. They have ended up in Louisville, Thornton and Arvada.	11/22/2014 3:25 PM
35	Our town does a fabulous job of putting the Art out there for our public. Art no matter in what form should always be a part of our lives, everyday.	11/22/2014 9:53 AM
36	There are many good programs at the Audi which don't seem to reach younger people. They are always full of seniors which is great but concerts like Wendy Woo should be full of young adults too. Need more publicity.	11/20/2014 12:14 PM
37	Would like to see more opportunities for single adults. Would be great to have a downtown gathering district like Old Town Louisville. Somewhere with unique foods, coffee shops, art areas, small performer areas, small business offices. Currently the city feels disconnected with a focus on bargains shopping, major chains, those with kids, and seniors. Thanks for inquiring. Kara	11/20/2014 10:50 AM
38	Would love to see the outdoor amphitheater renovated with more room for outdoor summer concerts. The current set-up is not ideal for concert goers who wish to watch (usually with kids) from the grass. Make it bigger and more open, so all can enjoy the music while picnicking with family and friends. Would also love to see all of our arts and cultural programs expanded in Broomfield. More gallery space (the Audi gallery gets lost with everything else happening there). Thank you!	11/20/2014 9:43 AM
39	I believe event coordinators should strive to include cultural and ethnic long-time local musicians in events. You would be surprised at the talent, longevity and fan following of some of these musicians who are overlooked.	11/20/2014 9:01 AM
40	include an "Add to Calendar" button to the announcements in the B in the Loop emails.	11/20/2014 8:11 AM
41	Please schedule more Jazz Music events at the Broomfield Auditorium !	11/19/2014 8:19 PM
42	Broomfield does a great job with its concerts.	11/19/2014 8:10 PM
43	No	11/19/2014 6:56 PM
44	Love living and working in Bloomfield!!	11/18/2014 1:24 PM
45	The Broomfield Auditorium staff make it very difficult and laborious to engage in an ongoing relationship with that venue for my dance studio. I would LOVE to be presenting in our community of Broomfield but they make it too hard.	11/17/2014 9:49 AM
46	I think Broomfield does a lovely job with the Arts, I only wish I had more time and money to support the exhibits and concerts. I do think that if more money needs to come in from the 1st Bank venue that serious consideration should made to bringing in more sports type events for local high schools (i.e. basketball, volleyball tournaments, etc.)	11/16/2014 3:45 PM

## SURVEY FOR ARTS AND CULTURE MASTER PLAN 2014

47	The Auditorium events and the library programs are terrific and get better every year. Congratulations to all the people who put them on.	11/14/2014 11:42 AM

49	See above	11/6/2014 9:46 AM
50	Library is featuring fewer books - too much is downloadable only.	11/6/2014 8:36 AM
51	Would love to see the outdoor amphitheater renovated so concert attendees could sit in grass and see/hear music. The art gallery in the Audi is a nice thought, but an actual gallery/museum would be better. Thank you for all you do to encourage and improve the arts and culture in Broomfield. It is so important to our community!	11/6/2014 12:33 AM
52	You have some great events at the library auditorium. We are sometimes surprised how poorly attended some of these events are. I hope that with better publicity, more people will take advantage of the things that are going on there.	11/5/2014 7:08 PM
53	Auditorium needs to be expanded	11/5/2014 4:26 PM
54	Thanks for surveying!	11/4/2014 9:11 PM
55	Broomfield is doing a great job and I look forward to the future here!!	11/3/2014 11:08 AM
56	We are multi-millionaires, as are most of our neighbors, so the cost of entertainment is irrelevant. Each of the many events that we have attended at the Auditorium has been excellent except Wendy Woo, which was just some repetitive amateurish shouting to the same unchanging drum beat; the bass player could have easily been replaced by a robot. Our favorite events have been the CU Jazz Quintet performances. Your biggest competition for attendees is the enormous number of free music events at CU. There's a free concert of some kind every Tuesday, for example, most in the Grusin Music Hall but some at Macky Auditorium, and others on other days, too.	11/3/2014 6:04 AM
57	More jazz and more theater	11/1/2014 6:39 PM
58	SAVE OUR HISTORY!	10/30/2014 4:16 PM
59	Long time Broomfield Resident, now living in Golden, Still interested in local Broomfield activities..	10/28/2014 12:15 PM
60	would like to see Broomfield build a center for the arts with a larger theater for professional productions/music/event center for 800	10/28/2014 12:13 PM
61	Even though we under-utilize the arts in our community, please do not interpret that as a lack of interest. We frequent the library and enjoy seeing that events are going on at the Audi, even if that is not the reason we go there.	10/25/2014 8:56 PM
62	I think city money can be better spent on activities (concerts, etc) that are experiences, rather than art displays. I'm especially appalled that the city would enforce obesity with the sculpture of the very heavysset woman in the Broomfield Commons area.	10/25/2014 1:29 PM
63	It would be so helpful to have the calendar at the Auditorium be "open" so that those of us who are booking the space two and three years in advance can see if we will be 'competing' for an audience when perhaps we could collaborate or schedule our even for another year. It seems to be very secretive when trying to schedule an event. Also, the backstage area really needs to be enlarged or get a temporary building which can be used as a green room.	10/22/2014 12:18 PM
64	I think we spend too much public money on art. I realize that it comes from a millage or other such tax...and I resent that. I believe art should be privately funded, not by the community. That said, I believe that Broomfield does a good job with artistic efforts.	10/17/2014 9:24 AM
65	For the size of the community, I think Broomfield offers a good array of cultural activities--just wish so many free events weren't on Wednesday night.	10/16/2014 7:03 PM
66	Bigger stage for the audi. with wings so we can do more good performances. :)	10/15/2014 2:25 PM
67	Other cities support artists and art co op's. Very sad that Broomfield artist have to go outside of Broomfield to display/sell their art.	10/15/2014 1:00 PM
68	Thank you for asking the questions...	10/15/2014 11:44 AM
69	I greatly enjoyed the recent Los Bohemios and the CU series. Events are very reasonably priced.	10/13/2014 4:52 PM
70	I would enjoy as many history type events as you can provide. Thanks --	10/13/2014 8:55 AM

## SURVEY FOR ARTS AND CULTURE MASTER PLAN 2014

71	Keep up the great work!	10/10/2014 11:49 AM
72	Love the Broomfield Library and the Audi events.	10/10/2014 10:31 AM
73	cultural activities in our city are very important	10/9/2014 7:25 PM
74	Thank you for asking for community input!	10/9/2014 4:47 PM
75	I strongly support arts in Broomfield!	10/7/2014 9:52 PM
76	As a member of the Broomfield Art Guild, I would very much appreciate more venue opportunities for fine art, photography displays/shows.	10/7/2014 4:54 PM
77	The current operators of 1st Bank Center are doing a good job.	10/7/2014 9:44 AM
78	Our best asset is the Cultural Affairs Division.	10/7/2014 8:44 AM
79	Thank you for putting together this survey! GREAT idea!	10/6/2014 8:09 PM
80	I am pleased with the outdoor art that Broomfield displays. The fine arts need more display areas that have convenient hours. Musical and theatrical events Tr important, too.	10/6/2014 11:01 AM
81	I love the variety of programs and art the city offers. What a wonderful, cultural place to live. Thank you!	10/6/2014 4:53 AM
82	Just so happy to have this venue via the Daily Camera about the CU Jazz faculty and that led to other events, great sound, great sitelines. thank you.	10/5/2014 6:36 PM
83	Broomfield really lacks a downtown gathering place. It feels like a scattered community. It would really benefit from an art center...again look at Louisville. Paintings can hang in the City Hall but people go in there for other purposes than to look at art. The Library wall is small, people don't know when the Brunner house is open and people are there for meetings not to look at art.	10/5/2014 5:08 PM
84	city events should be expanded with better space to show visual art rather than poorly lit, temporary installations of low quality. Jury the art better for quality!	10/5/2014 4:31 PM
85	As part of the art community, I feel that we have very few venues in which to display art and have meetings. The audi gallery is very limited with space and open times. The city/co building is great, but no place for meetings with demos. New City/co gallery & meeting space would be wonderful!	10/5/2014 11:22 AM
86	Broomfield offers many and varied events that fulfil the needs of the residents. I am just not in a position, sadly, to take advantage of them.	10/5/2014 11:07 AM
87	As a member of the Broomfield Art Guild I would appreciate additional venues for exhibiting art work. The Audi gallery is only open limited hours and can barely accommodate one piece per member for our member show, and the City Hall is not open weekends. A real community art center for shows, workshops, etc. would be great.	10/5/2014 9:22 AM
88	I think Broomfield does a great job in supporting the arts. I attend events with a friend who lives in Westminster; she likes our events better!	10/3/2014 3:34 PM
89	Wish I could be more helpful. We moved to Broomfield in August, so we are not really familiar with the arts and culture programs, but this survey has made me realize all there is available here!	10/3/2014 1:50 PM
90	As the CU Jazz Series participation indicates, there are many people in Broomfield who appreciate jazz. Therefore, there is a need for more programs throughout the year, not just during the fall.	10/3/2014 1:49 PM
91	I think we need to improve our marketing of events. Broomfield has A LOT going on. We just need to get the word out more effectively!	10/2/2014 1:30 PM
92	Redevelopment of Civic Center should include new public art.	10/2/2014 1:28 PM
93	Keep up the great work! You all do a tremendous job recognizing how important art is in a community (and provide it accordingly!).	10/2/2014 12:56 PM
94	As a long-time employee and former resident of Broomfield, I feel that cultural events in Broomfield add a special dimension to Broomfield which is appealing to current and prospective residents. It's also a good marketing tool to bring people to Broomfield to see how much it's developed as a key player in the metro area.	10/2/2014 12:21 PM
95	Broomfield seems like a bit of a drive-thru community and could likely increase cohesion and shared identity with a downtown center(s) that act as pedestrian and bike friendly gathering places.	10/2/2014 12:03 PM
96	1st Bank arena is a great place to see concerts, wish there was more variety offered... more big names.	10/2/2014 11:40 AM

## SURVEY FOR ARTS AND CULTURE MASTER PLAN 2014

97	Improve acoustics at the Audi	10/2/2014 11:38 AM
98	Thanks!	10/2/2014 10:54 AM
99	The Audi's non-profit hourly rates are very reasonable. However, it is very cost prohibitive to book an entire week at the Audi. Would the City consider a weekly rate versus totaling things day by day?	10/1/2014 5:40 AM
100	I belong to Broomfield Spellbinders=a fabulous organization that uses Brunner House	9/30/2014 6:20 PM
101	served previously on the Parks & Recreation Advisory Committee to Broomfield City Council; have been a member of Broomfield Spellbinders for 3 years	9/30/2014 5:46 PM
102	We need ways to encourage people to interact with the japanese sister society. all middle/high school students should know of the program. Also all 4th and 5th graders. Xmas presents should be sent to the children of Ueda from kids of Brmflid.	9/30/2014 3:49 PM
103	Broomfield has made a major commitment to public art, visual art and City operated facilities. There has been little support for non-city sponsored/produced/venued performances and shows and based on this survey there is little hope excellence in the arts is in the future for Broomfield. The community will continue to go outside Broomfield to see excellent performances and shows. Based on this survey the Cultural Affairs office is invested in being a venue for community performances and shows and showcasing visual arts and this department does not appear to be developing a true Cultural and Arts Master Plan similar to that of Boulder and Denver which seek to invest in the community of artists and the citizens by attracting and retaining excellent art and cultural events, shows, performances and exhibits and supporting non-City operated venues.	9/30/2014 2:24 PM
104	Biggest complaint is no town center. No place where people naturally come together. Good things are the flowers on corners and open spaces.	9/30/2014 2:02 PM
105	I appreciate the fact that Broomfield non-profit groups receive special rates and special consideration when renting the AUDI. It would be wonderful to have some kind of access to the master calendar a year or two ahead so that we don't try to book events on the same weekend OR so that we could collaborate with a group which IS planning an event for the same weekend. I'd love to see the backstage area enlarged OR have the Eisenhower room space included in the rental as a green room (for a reduced after hours rate) when a large group is renting the AUDI.	9/30/2014 12:36 PM
106	I love broomfield	9/30/2014 11:45 AM
107	I was on the Arts Council many years ago and think it is a great organization.	9/29/2014 3:07 PM
108	Thanks for providing input.	9/29/2014 11:56 AM
109	Broomfield is an amazing and safe place to raise a family. It is severely missing a modern cultural focus. While we are happy to live here I'm ashamed to tell other people that I live in Broomfield because of the lack of culture and diversity.	9/29/2014 7:53 AM
110	Enterprise is no longer available in pick up boxes in my area.	9/28/2014 7:16 AM
111	Not clear if all of the questions were for family as well as person completing survey; I answered them as for all family members.	9/23/2014 7:43 PM
112	The Audi and Library are centerposts of the community and it is essential to support these wonderful venues.	9/23/2014 9:38 AM
113	My husband and I most appreciate the public art on display and the interactive art is the best (Art for a While program). The sculptures are fun to look at with our kids and it makes walking around and living in Broomfield a lot more interesting.	9/22/2014 1:43 PM
114	I'd love to see more opportunities associated with the Sister Cities program - more opportunities for learning and supporting as well as travel.	9/22/2014 1:20 PM
