

Processing Confirmation Cards

The following processes are used when a Confirmation Card has been sent by Forwardable mail in the following scenarios:

- Voter fails to vote in the General Election = Voter is Active – Failed to Vote
- Mail Ballot returned as Undeliverable = Voter is Inactive – Undeliverable Ballot

Revised 11/26/2014

*Effective Date is changed only when a modification is made to one or more of the following fields: Status, Residence Address, and Party Affiliation

Note: If the Confirmation Card is not returned by the voter or postal service, no changes are made to the voter's record. List maintenance processed is followed (1-2-605, C.R.S, and Rule 2.18)
