Broomfield Municipal Code (BMC) Section 17-38-230 outlines the eligibility requirements for a site development plan administrative modification within a PUD zone district. The modifications shall be generally consistent with the approved PUD plan and site development plan. Such modifications are also restricted to the following categories and limits:

1. Floor area ratios, number and density of dwelling units, building coverage, and overall exterior dimensions may be decreased by any amount or may be increased by not more than ten percent.
2. Minimum lot sizes and open area may be increased by any amount or may be decreased by not more than ten percent.
3. Parking and drive coverage may be changed by not more than ten percent.
4. Location, species, and size of new trees and shrubs, and location and type of turf, ground cover, planting areas, retaining and decorative walls, fences, and similar structures can be changed, provided that materials remain equivalent and locations remain appropriate.
5. The grading plan may be changed, provided that the city engineer determines there is a sound engineering basis for such change.
6. Other modifications may be made if, in the opinion of the city manager or his or her designee, they are minor in scope, will not have a detrimental effect on the neighborhood or the project, and satisfy the review standards of section 17-38- 220.

The estimated review time for an administrative modification is approximately two weeks, but may vary depending on caseload, the need for additional information, or other factors.
