**SUPERVISION:** Your group must provide a minimum of one swimming adult supervisor for every ten children (Age 7-13). We require a minimum of one swimming adult supervisor for every five children (Age 6 and younger and those that do not pass our swim test). Children 6 & under and all non-swimmers must be accompanied in the pool and stay within arms reach of the children at all times. We encourage children 6 & under and non-swimmers to wear lifejackets in the water. Lifejackets do not replace the need for direct supervision in the water at all times, but do add another safety measure. Lifejackets are provided at the Bay, free of cost.

**INCLEMENT WEATHER AND CLOSURE POLICIES:** The Bay will be open if the temperature is projected to be at least 68 degrees. If closure occurs due to inclement weather, you will be contacted by our staff about your options and how we can best accommodate your group. Groups may be rescheduled if space allows. No refunds will be issued for closure due to inclement weather.

**If the temperature is projected to be 68 degrees during the day, The Bay will open and all groups are expected to attend. "No call, no show" groups will be charged in full for their reservation.**

The facility must be cleared (including the locker rooms) any time lightning is observed in the area. The facility will be closed for at least 20 minutes after the last sighting of lightning or longer depending on the length and severity of the storm.

The pool may close temporarily or permanently throughout the day due to inclement weather, lightning, or fecal accidents. No refunds will be issued for intermittent or permanent closures of the facilities.

**HEALTH & SAFETY POLICIES:** Prevention of accidents and injuries is our mission to provide a safe and fun experience at the Broomfield Bay. Please read over and share these with your guests.

**Swimmers 3 & under must wear a swim diaper!!!**

- o If you have or have had diarrhea in the past two weeks, do not use the pool!
- o Do not use the pool if you show any signs of illness or injury
- o All swimmers must take a full shower before entering the pool and after using the restroom.
- o Immediately report any unidentified objects in the pool. We will clear the pool anytime a fecal accident is discovered.

- o No glass containers or alcoholic beverages
- o We recommend that all participants wear sunblock with at least a minimum SPF of 15.
- o Check in with your kids frequently, make them take breaks to rest, re-hydrate, get out of the sun, use the restroom, and reapply sunblock! Remember this is an outside facility, and bees/wasps may be present.

### GENERAL POOL RULES:

- Walk please - no running!

- Participants must be 48 inches or taller to ride the slides without an adult and be able to swim. If participants do not meet the height requirement, they may take a swim test. Upon passing a swim test, they will receive a wristband that will allow them to go down the slides alone. Parents may go down all slides with their children to help keep them safe!
