# How will you **BUILD A BETTER WORLD**™ this summer?

## Kids' Summer Reading Program 2017

### Step 1:

Register online beginning May 14 at [broomfield.readingrecord.net](http://broomfield.readingrecord.net)

Kids from birth through entering 5th Grade may register. You can also register in person or online from June 1-July 16.

### Step 2:

Beginning June 1, pick up the reading log for your age and start reading!

You have until July 16 to register online or in person and to pick up your reading log, but the sooner you get your log, the sooner you can start tracking your reading and earning prizes! There are three separate reading logs and challenges to meet the needs of kids of all ages: Babies & Toddlers, Preschoolers, and Elementary kids.

### Step 3:

As you finish each level come back to the library and get great prizes!

The last day to finish reading and pick up prizes is Saturday, July 29.

Track your reading and earn great prizes:

# June 1-July 29!

### Imagine, Build & Destroy!

Saturday, June 17, 10 a.m.–12 p.m. (Open house—come any time)

#### Behind the Amphitheatre

Join the library and FreeRange Playground at a pop-up adventure playground for kids aged 12 and under. We will set up an unstructured play space full of everyday materials that kids can use to imagine, build and destroy as they see fit! Parents play and build with the younger children (toddlers - preschoolers), and while kids 5 & up will be supervised, parents are asked to observe the fun from the sidelines so the kids can navigate risks, solve problems and collaborate on their own, all while having a great time! Parents—bring lawn chairs or blankets to relax on the grass.

### Ready, Set, Play: Neighborhood Games

Learn to play outdoor group games and take them home to play in your neighborhood! Pick up a free ticket at the Children's Desk beginning 30 minutes before each program. Remember to bring a hat, water & sunscreen! Presented by our own Broomfield Public Health Department.

Designed for elementary aged children and their families.

#### Wednesdays, 2–2:45 p.m.

(Free tickets available beginning at 1 p.m. in the Auditorium Lobby)

#### June 7: Wayne & Wingnut with Wayne Francis

Take to the skies with Wayne and Wingnut the pilot. With life-sized puppet characters, cartoon voices, original jokes and great music, your imagination could not be in better hands.

#### June 14: Summer Drums and Musical Fun!

Join Peak Rhythms for a fun and interactive drumming and music making program. We'll provide drums and hundreds of percussion instruments such as shakers, maracas, tambourines, etc. for everybody.

#### June 21: Seven Falls Indian Dancers

The Seven Falls Indian dancers are a social and exhibition dance troupe from the Pawnee/Flandreau Santee Sioux tribes.

#### June 28: Flight of Fancy with Public Works Puppets

Flight of Fancy uses cartoon-like masks and puppets to bring together unlikely friends: A lonely puffin seeking adventure and a thoughtful, curious girl. The duo spin a tale of wonder as a night of adventure in the Biodome unfolds with a puppet cast of animal friends.

#### July 5: The Magical Math and Science Show with Eddie Goldstein

Understanding science is one of the most important life skills of the 21<sup>st</sup> century. As an internationally known science educator and performer, Eddie will present a combination of scientific oddities, intriguing explanations, and sleight of hand magic.

#### July 12: Birds of Prey presented by Hawkquest

Learn about the importance of different raptor species, their specially-adapted tools, and their role in our ecosystems. Includes a Bald or a Golden eagle, an owl, a falcon, and features a free-flying hawk.

#### July 19: A Trip around the Sun, Earth, and Moon presented by Science Matters

You are invited to travel with us to the edges of our universe to discover the differences between a lunar eclipse and a solar eclipse, as well as the difference between a total eclipse and a partial one. Discover the importance of the sun, moon, and earth, and how they work together to form the phenomena we know as eclipses.

### Fabulous Fridays

#### June 9: Nature, Science and Music with Jeff and Paige

Original science-focused songs, skits and costumes to engage kids with nature, music and movement are filled with love of the outdoors and ecology, and loads of audience participation.

#### June 16: Fairy Tale Theatre presented by Playground Theatre

Enjoy classic fairy tales with a twist for young and old. Will the troll gobble the Billy Goats? Can Red Riding Hood get the goodies to Grandma?

#### June 23: It's a BIG WIDE WORLD Puppet Show with Patti Smithsonian

Using live animation and colorful cartoon puppets, "The Ant and the Grasshopper" and "The Three Little Pigs" will be projected even bigger than life size.

#### June 30: "FUNSTRUCTION" Building Character through Stories and Songs with Beth Epley

Experience a High Rise of Laughter, Structural Sounds and Dramatic Developments. We will wander the world using the tools of Imagination, Voice, Mind and Body. Join in the FUN as we construct a Firm Foundation.

#### July 7: The Big Bubble Circus with clown extraordinaire Jim Jackson

Featuring comedy, magic, juggling and balance and ... bubbles as big as a horse, giant rainbow bubbles, and even kids inside of bubbles!

#### July 14: World of Music with Steve Weeks

An interactive family romp filled with humor and including two hit songs "Kiki Kangaroo" and "Don't Nothing Work Around Here No More."

#### July 21: "A Music Party with Cathy & Marcy"

Children's Music GRAMMY Award winners, Cathy Fink & Marcy Marxer have been making music with and for kids and families for over 35 years. Their performances invite every audience to sing, yodel along and even scat sing!
