## REGARDING .EXE FILES OF SHAPE DATA

The file 'citycountyboundary.exe' will self extract the shapefiles.

The citylimit file contains the seven shapefiles with the following names:

BroomfieldBoundary.dbf  
BroomfieldBoundary.sbn  
BroomfieldBoundary.sbx  
BroomfieldBoundary.shp  
BroomfieldBoundary.shp.xml  
BroomfieldBoundary.shx  
BroomfieldBoundary.prj

These files are projected in NAD\_1983\_HARN\_StatePlane\_CO\_North\_FIPS\_0501\_Feet.

The files can be opened with any ESRI product. ESRI's web site is found at  
the URL address of '<http://www.esri.com>' and the free viewer can be  
downloaded at the URL address of  
'<http://www.esri.com/software/arcexplorer/index.html>'.
