

Use Permit Inspection Application

Application Date: _____

Required

All items listed below must be completed and submitted with the application:

- Use Permit Application
- Application fee \$100
- Use Permit Inspection Report completed by a certified inspector currently licensed or certified by a nationally recognized inspector training and certification program
- If multiple OWTS serve the property, then a separate Use Permit Inspection Form for each OWTS must be completed.
- Indicate any repairs completed on the Inspection Report.
- Copy of the most recent septic tank pumper's receipt (within 18 months) and license number of the Broomfield licensed cleaner(s)
- If electrical work is necessary, a permit from the City and County of Broomfield (CCOB) Building department may be required before final approval.
- All OWTS forms are available at broomfield.org/septic.
