RELEASE: As a participant in the BREWHAHA at ARISTA, I fully understand and agree to the following:

I recognize and acknowledge that I assume full risk of any injuries, property damage or loss which I may sustain as a result of my participating in any and all activities connected with or associated with my participation in the Festival.

I agree to waive and relinquish all claims I may have against the City and County of Broomfield, Broomfield Recreation Services, all associated festival sponsors and any agents thereof, as a result of my participation in the Festival and that I share my products and services at my own risk.

Contractor expressly agrees to indemnify and hold harmless the City and County of Broomfield or any of its officers, employees, elected official or insurance carriers from any and all claims, damages, liability, or court awards, including costs and attorney's fees, that are or may be awarded as a result of any loss, injury, or damage sustained or claimed to have been sustained by anyone, including but not limited to, any person, firm, partnership, or corporation, in connection with or arising out of any omission or act of commission by Contractor or any of its employees or agents in performing work pursuant to this Agreement or arising out of, connected with, or in any way associated with the activities of the Festival.

I agree that all demonstration and exhibits may be photographed for publicity purposes.

I agree to abide by all rules set forth in this application:

100% Zero Waste Participation Agreement

Dear Vendor:

Thank you for your interest in participating at BREWHAHA! We are proud to announce that this event will be a Zero Waste event.

The goal at a Zero Waste event is to plan ahead and distribute only materials that are recyclable or compostable (not any materials that will be landfilled). "Zero Waste Stations"

consisting of a recycling bin and compost bin will be available to participants at numerous locations throughout the park. As a vendor handing out products at this event, you play a vital part in the success of our Zero Waste initiative.

Vendors attending BREWHAHA are required to hand out only recyclable, compostable or reusable materials to the public. We have included local recycling and composting guidelines with this contract so you know which types of materials will be acceptable to distribute.

Remember, if an item is not recyclable locally, we cannot recycle it, even if your supplier has told you it can be recycled. If you have any questions as to whether your items are considered recyclable or compostable, please call Carolyn Johnson at 303-460-6923. We will answer your questions and help you understand your important role in this Zero Waste event. Please note that you will be asked to remove any non-recyclable or non-compostable items from your booth for the duration of the event. You will only be allowed to distribute recyclable or compostable products.

Your signature on the vendor application acknowledges that you will abide by all Zero Waste guidelines and requirements. We look forward to working with you to make this a successful Zero Waste event.

Our Zero Waste goal is simple to attain if you plan ahead of time the kinds of materials you will be providing to the public at the event. Here are some ideas that can help you achieve this goal:

Use the least amount of packaging possible or remove the packaging before distributing the item.

Use compostable or paper 'goodie' bags rather than plastic bags.

Use post-consumer (preferred) or recycled content for flyers, programs and handouts.

Choose to print on paper with the highest recycled content possible.

Do not use "neon" fluorescent or dark-colored papers. These cannot be recycled.

Do not use kraft or goldenrod (orange-brownish envelopes)

Candy wrappers, energy bars, chip bags and packaging from pre-packaged food are trash items.

For Local Sources for Recycled Paper, contact local office paper supply stores. For Local sources for Compostable Bags, contact Whole Foods, Ace Hardware, King Soopers or Western Disposal. For paper bags, make sure they are not coated with plastic. Lunch paper bags are cost effective and can be composted.

Guidelines for Containers and Service Ware for Zero Waste Events

Acceptable Items – YES!	Not Acceptable Items - NO
All paper containers including plates, bowls, cups, etc. These items must not have any plastic coating on them.	Styrofoam (polystyrene). It is not recyclable, regardless of what your suppliers may tell you and despite any recycling symbols on the product.

Paper lids or starch based lids. These items must not have plastic coating on them.	No plastic lids without the recycling chasing arrows and associated numbers.
Paper milk cartons and drink boxes	No foil drink pouches
Compostable containers, dishware and utensils made from plant starches that have the compostable label	No fast food cups, paper packages or containers, plastic cutlery, or small deli cups (used for salsa or syrup)
Plastic bottles and Jugs # 1-7 (no lids)	No plastic bags of any kind
Glass bottles and jars	No straws
Plastic tubs and screw top jars # 1-7	No twist ties, twine or plastic rope
Paper napkins and paper towels	No candy wrappers
Waxed coated cardboard boxes such as frozen hot dog or hamburger boxes	No individual chip packages, individual condiment packages
Aluminum foil and cans (do not crush cans)	No Frozen food packaging
Metal jar lids and steel bottle caps	No plastic coated paper products
Brown paper bags and corrugated cardboard	No Wax paper

All recyclable plastic must have the following chasing arrow symbol on the container:

All compostable containers must have the following label on the container:
