### **WHAT IS UNIVERSAL PRESCHOOL?**

Universal Preschool (UPK) Colorado ensures that every child in the year before they are eligible for kindergarten is eligible for 10 hours or 15 hours of state-funded, voluntary preschool beginning in the 2026-27 school year. Parents will be able to choose between 10 hours or 15 hours.

### **WHO IS ELIGIBLE FOR 15 HOURS OF FREE PRESCHOOL?**

All four-year-old Colorado children are eligible for UPK Colorado in the year before they become eligible for kindergarten. CDEC uses a cutoff of October 1, 2026, meaning that a child who turns four before this date in the year they wish to enroll in preschool will be eligible for Universal Preschool in Colorado.

### **IN ORDER TO PARTICIPATE IN UNIVERSAL PRESCHOOL, ALL FAMILIES MUST APPLY THROUGH THE STATE OF COLORADO. PRE-REGISTRATION (ESTIMATED FEBRUARY - MARCH)**

During the application process, you will choose Early Learning Broomfield Community Center Or Paul Derda Early Learning Program as your only program choice. After choosing our program, the application will be sent directly to the State regarding your Early Learning choice.

Please note in your application if your child has a sibling with a provider and if you would like them to stay together.

To guarantee your spot with Early Learning, You will also need to follow the Early Learning Registration Process. Parents will fill out a registration form. Once accepted, you will receive a confirmation email. You will then need to pay the \$75.00 deposit. When the State of Colorado approves your application for Universal Preschool, you will receive a refund for the deposit, and preschool for the school year will be paid through the State's funding.

There is a choice to disregard the Universal Preschool State funding. Tuition can be paid in full, or you can choose scheduled payments. Classes on the schedule that do not meet the minimum number of hours required for the Universal Preschool program are being offered. Parents can choose to pay the tuition.
