

Toddler Story Time Registration Information

REGISTRATION INFORMATION

- Registration preference will be given to Broomfield residents. Broomfield residents can begin registering the first week of registration (Broomfield Resident Registration), but must first establish residency (see “Residency Requirements”).
- Non-residents’ registrations are welcome if space is available during the second week of registration (see Open Registration dates).
- A confirmation email will be sent after you have registered online for Toddler Story Time.
- Complete a separate online registration for EACH toddler attending the program.
- Toddler Story Time is planned to support the special developmental needs of toddlers. Registration is required to attend Toddler Story Time; drop-ins will not be accepted. View the [library story time schedule](#) for other programs.

RESIDENCY REQUIREMENTS

- Living in the Broomfield area or having a Broomfield mailing address does not necessarily mean you are a Broomfield resident.
- If you wish to establish residency for this program, you will need to provide **2 forms of “proof-of-residency”**:
 - 1. Photo ID AND**
 - 2. Official Piece of Mail Showing Your Current Address**
- Proof of Broomfield residency (as above) may be uploaded securely online by clicking [here](#). You can also bring your proof-of-residency information to the Children’s Library before or during registration.
- Registration will not be accepted until the proof-of-residency requirements above are met.
- Once residency status has been established, it will be valid for future Toddler Story Time registrations and the Parent Toddler Workshop registrations.
- Non-residents are welcome in story time if space is available.
- Employees of the City & County of Broomfield can register the week of Broomfield Resident Registration. Bring your City & County of Broomfield employee badge to the library during registration or upload a copy of your badge securely online by clicking [here](#).
