Program Description

As an extension of our Family Place Center, the Parent Toddler Workshop is designed to give you special time with your toddler for playing, reading and spending interactive quality time together. Create a craft with your child and meet new people in an educational and fun environment. Community resource professionals are on hand to discuss early literacy, speech and hearing, physical fitness, nutrition and behavior. The Parent Toddler Workshop is a 5 week long program for toddlers 18 - 35 months and their parents or caregivers. Registration required.

Parent Toddler Workshop Guidelines

- Have fun playing and learning with your child. Feel free to ask the librarian and visiting professionals questions.
- Stay with your child at all times. No child can be in the workshop without a parent or adult caregiver.
- Food is not allowed in the library, so please eat your snacks before attending the workshop.
- Help clean up after your child by putting toys back in designated areas.
- Help your child learn how to take turns while using the toys and books.
- Handle all situations concerning your child in a quiet, gentle manner.
- To help children stay healthy so they can attend the workshop, please stay home if your child is sick. **Call 720-887-2315 if you are unable to attend.**
- Siblings (infants - 5 years old) may accompany the parent and toddler in the workshop.

Registration Information

- Registration must be done in person.
- Registration preference will be given to Broomfield residents (see Residency Requirements below).
- Non-residents' forms are processed during Open Registration dates only.
- Registration forms are processed on a first-come, first-served basis.
- Registration forms will not be accepted prior to registration dates.
- Each Parent Toddler Workshop is 5 weeks long. We consider your registration a commitment to attend each week.
- Registration is limited to one time per child. Additional toddlers in the same family may attend future programs.
- The Parent Toddler Workshop is for the 18 - 35 month old child and his or her adult caregiver. The only exception to this policy will be for twins or two children in the same family who fit the age requirement.
- Each family must register separately. Complete a separate form for EACH toddler attending.
- Employees of the City & County of Broomfield can register the week of Broomfield Resident Registration. Bring your City & County of Broomfield employee badge to the library during registration.

Residency Requirements

Living in the Broomfield area or having a Broomfield mailing address does not necessarily mean you are a Broomfield resident. If you wish to establish residency for this program, you will need to show **two forms of "proof-of-residency"**:

1. Photo ID
2. Official Piece of Mail Showing Your Current Address

- Proof of Broomfield residency may be brought into the Children's Library prior to registration or brought to the library when you register.
- If proof-of-residency is not complete, registration will not be accepted during the Broomfield Resident Registration.
- Once residency status has been established, it will be valid for future library programs that have a registration requirement, such as Toddler Story Time.
