

How to haze a coyote that is too close for comfort.

# Be SMART!

**STOP!** Do not run! If you run, the coyote may chase.

# M

**MAKE yourself look big!** Put your hands over your head or pull your jacket up over your head. Look as big as you can so the coyote knows that you are too tough to mess with.

# A

**ANNOUNCE** forcefully "Leave Me Alone!"  
**Repeat if necessary.** This lets the coyote know you are a person and it lets people around you know that you may be in trouble.

# R

**RETREAT!** Back away slowly, but do not turn your back on the coyote.

# T

**TEACH** your friends and neighbors about coyotes and report coyote encounters to an adult if you're a child.
